

Homeschool @ the Y

NOW ENROLLING FOR 2024!

ELEMENTARY PROGRAMS

Mission Viejo YMCA and The Fullerton Maple Center

Curriculum SPOTLIGHT

- Creative Writing & Publishing: Comic | Ages 5-12

Two month registration required for publication

Designed for all literary levels: inclusive and suitable for people with different reading and language comprehension abilities.

Delving into the realm of visual storytelling, students will learn the nuances of comic book creation. From storyboarding to character design and panel sequencing, they will discover how to bring stories to life through a combination of words and art.

Homeschool Electives
receive a **FREE** Social
(valued up to \$75)

*some restrictions apply

TEEN PROGRAMMING

THE MISSION VIEJO YMCA

We also offer programs specifically made for teens! As part of our Entrepreneur Series, students will design and create projects based on their interests for our Entrepreneur fair in May. They can choose from either of the below options:

Curriculum Spotlight

- Creative Hearts- Crafting with a Cricut!
- Twisted Stitches- Sewing, crocheting, knitting and embroidery!

Student Led Makers Expo will be held in May as a cumulative event for all the artistic designs the students created. They will be able to register for a booth to sell items they created inside (and outside) of these classes. Students will learn basic entrepreneur skills and have time to prep, plan, and create.

List of Current TEEN Electives (Ages 12-17)

- Creative Hearts- Crafting with a Cricut
- Twisted Stitches- Sewing, crocheting, knitting and embroidery
- Sign language & Deaf Culture: Book Club
- Creative Writing & Publishing: Short Stories
